

St John the Evangelist Campbelltown Laudato Si Action Plan Reflection

In the Spirit of St John the Evangelist and the Values of the Good Samaritan Sisters, our Vision is to be a quality Catholic School that enables each person to reach their full potential in the light of our school motto, 'To Walk in Peace and Joy'. This motto implores our school community to action this in a concrete way throughout our lives as we journey with Jesus. We consider a crucial aspect of our journey as being sustainable and responsible stewards caring for God's creation, our common home.

Due to our history with the Sisters of the Good Samaritan we are informed by the Benedictine charism which reminds us that all things are holy since they come from the hand of God and so we have a duty 'to cultivate and take care of' the good things of God's creation.

This Laudato Si Action Plan is a tool that will enable us to document, implement, reflect and celebrate sustainability as we respond to the challenges from Laudato Si' to walk our own journey of ecological conversion. At St John the Evangelist we understand that we have a missionary and ecclesial mandate that impels us to participate and respond to the call to care for our common home with strategic planning, formation and concrete actions and it is within this context that this Laudato Si Action Plan is formulated.
